Dear Parents/Guardians,

Let me begin by wishing you all a very Happy New Year. Hope you are all having a relaxing and enjoyable break and are gearing up for another productive year. We are scheduled to open on Tuesday 10th January 2023 at 7.30 am. We ended the 2022 academic year with great positivity and success. Aside from the excellent examination results, our children also excelled in various co-scholastic activities.

Letlhabile fraternity's efforts are to make our children's educational journey a happy one, with wonderful experiences to share and beautiful memories to cherish. Our school is committed to developing socially responsible citizens in a safe, creative, and educationally challenging environment.

Our goal is to build a sense of community and trust between children, parents, and staff. Our prime focus is on empowering our children and highlighting their leadership skills by providing them with a platform on which to enhance attributes such as communication skills, team building, collaborative work, planning and strategy building, vision, persistence, and determination. Our continued partnership will ensure that our children continue to learn, progress, and reach their highest potential!

We are beyond grateful to you all for your continued support and cooperation.

I wish you all a happy and successful year.

Best wishes,
