LET LHABILE INTERNATIONAL PRIMARY SCHOOL

Issue 11 (Term 1, 2023)

Dear Parents/Guardians,

We thank all the parents who have completed their payment of the school fees for Term 1. Kindly note that three payment options are available for school fee payment for term 2, 2023. If you have not already submitted the form with your selected option, kindly do so immediately or contact the Bursar's office if you may require any further clarification.

Please note that only one of these 3 options will be accepted for school fee payment. The school will only be able to fulfill its mandate of imparting seamless education if school fees are received on time. Kindly contact the Bursar's office if you may require any further clarification.

Fee Structure for 2023

Registration Fees	: P100.00
Reception Fees	: P6000.00 per term
Standard 1 - 6	: P9600.00 per term
Standard 7	: P14400.00 per term (to be paid only for 2 terms)

School fee payment can be done directly at the school or via bank transfer. Please find the banking details below.

Account name: Kgosi Educational Investments (Pty) Ltd
Account number: 1011035 **Branch Code:** 290367
Bank Name: Absa Bank **Branch:** Gaborone Industrial

We request parents to fax (3190729), email (letlhabile.accounts@gmail.com), WhatsApp (71448489) or bring the remittance advice to the bursar's office. Please kindly state your child's surname, initials, and class as a reference when paying through bank transfer or direct deposits.

We look forward to your continued support.

Ms S. Vincent
Acting Principal

Prefects

Our prefects were inaugurated on 28th February 2023 in the school hall in front of their peers, teachers and parents. Prefect selection is based on criteria such as exemplary conduct and behaviour by a child, their commitment to their studies and the ability to take on responsibility. Prefects were selected from standards 5, 6 and 7, deputy prefects from standard 6 and the head boy and head girl from standard 7. We at Letlhabile International Primary School aim at grooming future leaders and responsible citizens.

Afternoon Activities

This term, our children participated in a number of interschool competitions in swimming, tennis and chess with other CHIPS schools and made some great wins. Whilst in non-competitive activities our children enjoyed engaging in new and exciting tasks such as preparing a fruit salad in the home economics club and making a collage in art club.

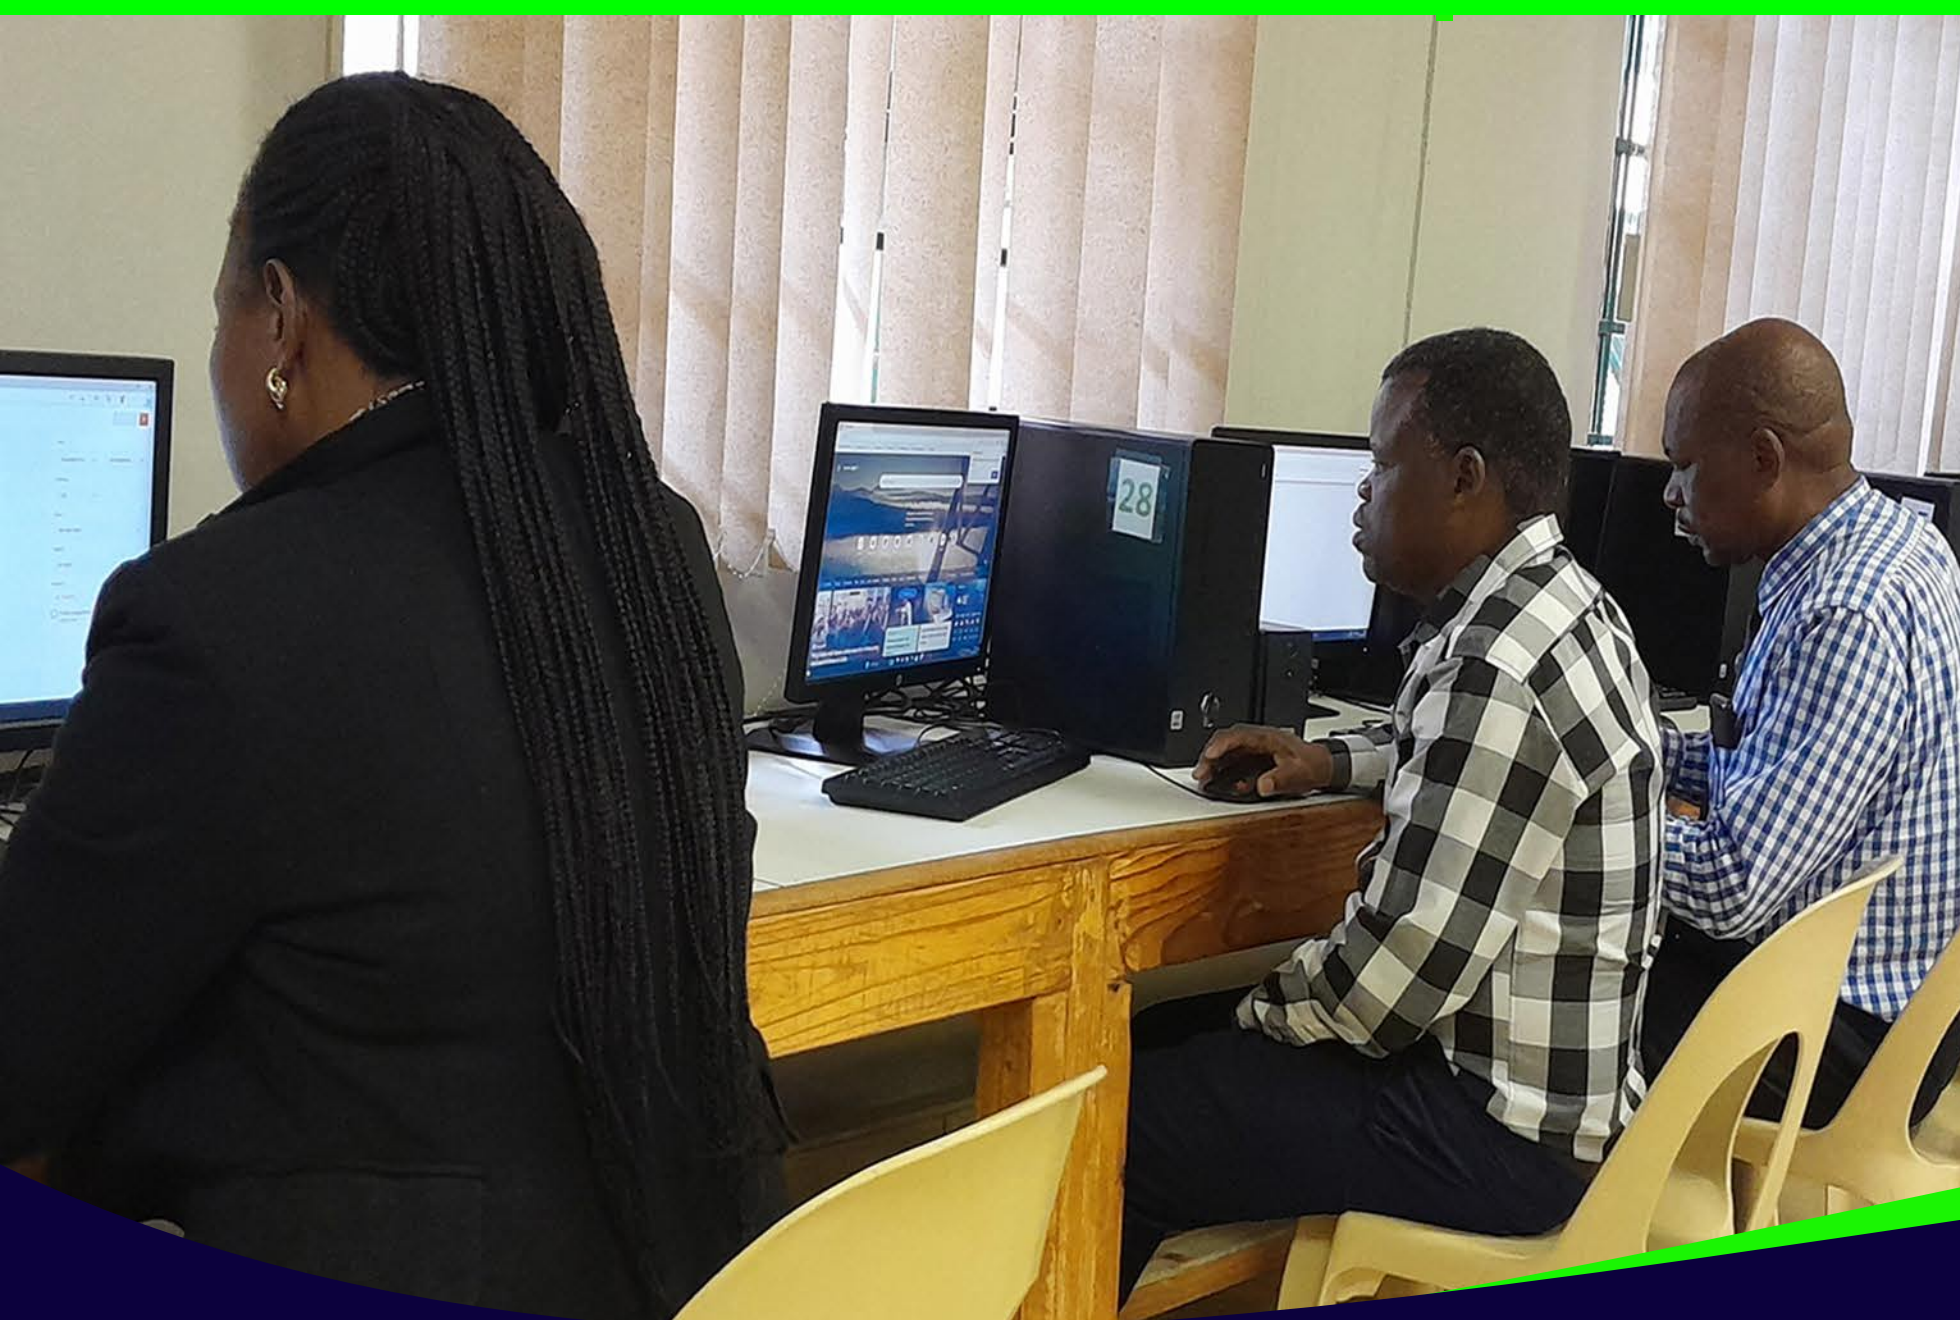

Class Assemblies

Our school hall stage is alive once again, with assemblies resuming on Tuesday and Friday mornings. Since the beginning of the term lower and upper school assemblies have entertained, informed and inspired us on. It is truly magical watching the talent and confidence our children display in front of a live audience.

Staff Enrichment

Certain afternoons were solely dedicated to staff enrichment workshops. Each workshop focused on a specific skill or concept in teaching and learning. These initiatives ensure that our staff stay abreast with the latest teaching practices and pedagogy implemented at international levels.

CA & Computer Practicals

Standards 2 to 6 sat for their Continuous Assessment (CA) tests from 20th March to 24th March 2023. Simultaneously, our Standard 7s also wrote their end of term examinations. Computer Practical tests were conducted from 27th March and ended on 31st March 2023.

Colour Days & Pool Party

The beginning of this year has witnessed a plethora of activities for our pre-schoolers who celebrated Pink and Yellow Colour Days on 27th January and 23rd February 2023 respectively. Children came dressed in the colour of the day and engaged in a number of activities organized for those days.

Our little ones also had a fantastic time at their pool party held on 20th February 2023. Splashes and giggles were all that could be heard as children enjoyed various pool games and exercises. Through such experiences, we foster a love for water and swimming among our little ones and make them aware of the safety measures to follow when next to or inside a swimming pool/any other water body.

Fire Drill

On 6th February 2023, a fire drill was conducted at school. It is crucial that children and staff have a clear understanding of evacuation procedures. Children were made of aware of these procedures in advance. On the day of the drill, the fire alarms were set off, children and their teachers swiftly made their way out of their classrooms and in an orderly fashion proceeded towards the fire assembly point. Heads of upper and lower school carried out a head count to ensure all children and staff were present. The drill was a success. Fire drills will be conducted every term for the safety of our children and staff.

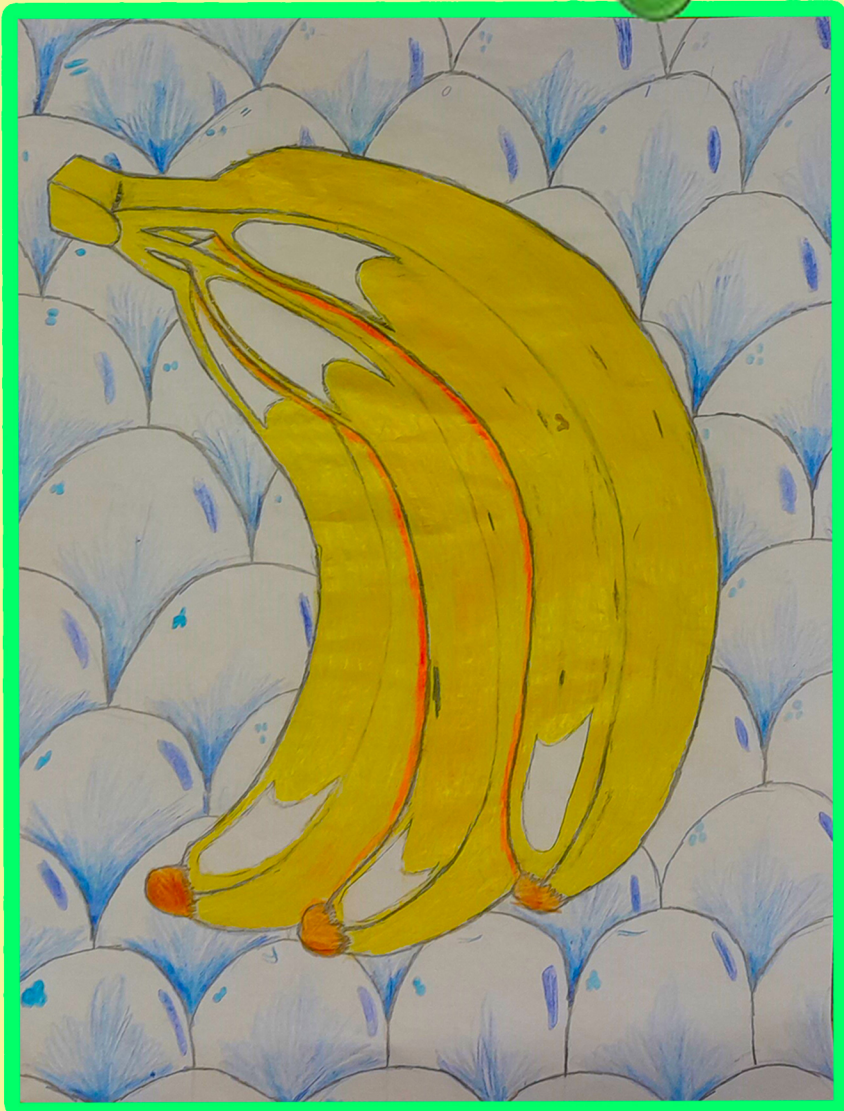

Monkeynastix

Monkeynastix is a programme that provides gymnastics and physical exercises for children aged seven years and younger. We are happy to announce that Monkeynastix has returned to our school post Covid-19. Our children in reception, standards 1 and 2 meet with the instructors every Thursday in the school hall for their weekly sessions.
